

quanessence professional holistic skincare - acne & hyper pigmentation treatments with sharon quann

**November 6, 2023
10am MST**

Acne can be such a heart wrenching thing to deal with, if you have ever had a client (or yourself) suffer from horrible acne you know how emotional it can be. Sharon Quann, owner & creator of Quannessence Professional Holistic Skincare, will walk you through the system she has created to help heal, calm & hydrate this troubled skin.

Hyperpigmentation can affect so many people, but especially acneic skin, learn how to use effective & non-toxic skincare to help combat pigmentation issues.

Sharon has over 35+ years of knowledge in the industry & brings her experience and training as a licensed Naturotherapist and a holistic, healing philosophy to the development of the Quannessence Skincare line.

Sharon will share her wealth of knowledge on all things acne.
How to treat, calm & heal acneic skin.

How to use traditional Chinese face mapping to maybe help further help your clients dealing with acne.

How to map out your client's treatment journey

How to correct Hyperpigmentation that can show up after acne or hormonal issues.

Who is it for:

Any beauty professional offering skincare treatments
