WITH AMIKA PRO EDUCATOR RAYLENE ROBERTSON @HAIRBYRAAY

contrary to the untrained eye, the model-off-duty effortless look isn't as effortless as it seems. a variety of texture building techniques are used to create the natural shapes and lasting organic volume for those perfectly imperfect sexy hair pics flooding your timelines. this course focuses on building texture with setting techniques for looks ranging from the loosest waves to the tiniest coils. we'll cover the steps used in our advanced iron work methods and proper product placement techniques for all hair types.
