

lookin' to learn?

let's put more hairs on your heads already!? we'll cover the pony method. just have your people call our people, we'll come to you.

the pony difference

- o 100% premium hand tied wefts
- o ethically sourced, remy human hair
- o cuticle aligned & intact, silicone free
- o brass free colors that won't fade
- o slow process custom color system to maintain integrity
- o exclusive partnership with the summit fam
- o locally owned & created by a stylist
- o full time access & support from real, live people who care (like a lot!)
- o the lineup: classic, blended & rooted collection available in 18" & 22" wefts
- o 23 dreamy shades

the pony method

the pony method is a light weight, classic hand tied weft installation, of the most discrete & non damaging variety. everyone is welcome! (no experience necessary).

what you'll learn

- o demo & hands on: full install (mannequin)
- o hand tied weft overview & benefits
- o full hand tied weft application
- o beading, stitching & customized sectioning
- o extension blending & color matching
- o placement techniques for various hair types + needs
- o move up & maintenance & more
- o pricing structure + business building tips n' tricks
