

Q Compromised Skin Look & Learn Training

Quannessence Skincare, in partnership with Summit Salon Services

Instructor: Charu Ahuja

Are you ready to elevate your spa's skincare offerings to a whole new level? Quannessence Skincare presents the Compromised Skin Facial Treatment Look and Learn training, including an 11-piece product kit designed to help you conquer new horizons in skincare excellence and introduce your clients to the transformative power of the Q ritual.

The Quannessence Compromised Skin protocol showcases the exceptional quality & remarkable results that the brand is known for. This protocol is a testament to their commitment to skincare excellence & is tailored to address the unique needs of individuals with compromised skin, making it a customizable addition to your spa's offerings. The starter kit included with this training is designed to allow you to experience the Quannessence difference firsthand. It includes all the essential products & tools needed to perform the Compromised Skin protocol in your spa.
