

Q Gua Sha and Facial Cupping

Quannessence Skincare, in partnership with Summit Salon Services

Instructor: Charu Ahuja

Dip your toes in the Quannessence professional skincare brand through our newest advanced professional facial treatment, which incorporates our advanced skincare products, two clear quartz gua sha stones, and two sizes of glass facial cupping balls. With no downtime, Facial Cupping and Gua Sha treatments deliver results by increasing blood circulation, lymphatic drainage, increasing collagen synthesis, minimizing acne scarring, and plumping the skin's surface.

In this class, you will be introduced to the Quannessence brand and taught the theory, background, and impacts of Gua Sha and Facial Cupping techniques in combination with Quannessence products. You will also be shown the Q protocol and results in a facial demonstration by a Quannessence-certified Aesthetic educator while also receiving and trying your hand at a Q Gua Sha and Cupping Facial under the supervision of the Q Educator.
