proudly canadian.
people first.

We love a good product. Obviously. It's kind of our thing.

But at Summit, products have never been the whole story. People are.

We're proudly Canadian, family-owned, and have been part of the professional beauty industry for generations. And while our portfolio has grown, our why hasn't really changed: help local beauty businesses thrive.

That can look like a lot of things.

It's the sales consultant who's been with you for 20 years. The salon partnership that's lasted just as long. The in-salon education, business consulting and promotions. Our Luxury Brand team working alongside your sales consultant. Or the boutique associate who knows your name, knows what you usually grab and helps you find what you need — sometimes with your dog in tow.

"We're here to support more than your product order. We're here to support your business."

With 11 boutiques across the Prairies, ecommerce, education, consulting and a whole team of people behind you, we're here to support more than your product order.

We're here to support your business.

And we like keeping things personal. You can call your sales consultant. You can walk into a boutique. Heck, you can even call the owner of the company.

In fact, his wife is still a local stylist today.

Because for us, the connection to this industry isn't just something we put in a mission statement. It's personal.

We're proud of the brands we carry. But we're even prouder of the people we get to work with — and the businesses, teams and careers we get to be a small part of building.

That's Summit. And that's why we do what we do.

your local summit boutique *is here to help*

Psst... did you know our Summit Boutiques have their own exclusive perks?

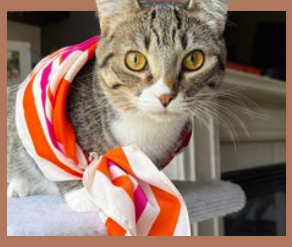
Meet the Loyalty Love Club

Our boutique-only loyalty program: earn Sum Bucks as you shop, then cash them in for beauty goodies, pro tools, and other fun perks. Plus, bring another licensed stylist or beauty pro in as a referral, and you can both score 100 Sum Bucks. Talk about a little love that goes a long way!

And that's just the beginning. Our Boutique crews are your local beauty besties, ready to help you discover new products, get hands-on with your faves, troubleshoot, find your next salon staple, and connect at education events and pop-ups with our favourite brand partners.

With locations across the Prairies, we're an easy stop for product recommendations, exclusive lines like Pulp Riot, Matrix, Biolage, and Luv Your Curls, or a quick restock. Short on time? Call ahead with your shopping list, and we'll have your order picked, packed, and ready for pickup.

Oh, and one last thing: your four-legged salon assistants are always welcome. You bring the leash — we'll bring the treats!



Ask our boutique locations!
