## summit shoutout

**the beverly**  
location: calgary, ab  
owner: beverly  
@thebeverly.salon

**what's your fave part about the hair and beauty industry?**

the ability to empower through self-expression and creativity. products can enhance confidence, allowing people to show off their unique personality and style. the industry is constantly evolving, embracing diversity, inclusivity, and fostering community. it's exciting to see how beauty continues to inspire and transform lives!

**if you could only take one beauty product along with you on a night out, what would it be?**

the k18 airwash dry shampoo – for that night out that leads into the morning. (look like you spent the night at a wellness retreat, not on the dance floor!)

**what's one quote that you love?**

"a gift isn't a gift until you give it away." this line from my mentor has guided me throughout my career. teaching has always been at the heart of what i do. i pay it forward by nurturing the next generation, and helping them grow. this philosophy shapes my approach to hair and business. if you possess a skill - pass it on and share it with others.

**if your salon was an alcoholic beverage, what would it be and why?**

a french 75—classic, elegant, with a touch of sparkle. like the cocktail, our salon blends sophistication with a refreshing twist, offering a luxurious yet uplifting experience. it's the perfect balance of timeless style and fun, leaving you elevated and polished.
