FEATURES AND BENEFITS

CITRUS CARDAMOM CUTICLE SERUM

Citrus Cardamom Cuticle Serum is formulated with a concentrated blend of ancient healing ingredient, Jojoba oil along with esters and proteins for ultimate hydration and repair. This moisturizing blend helps repair and condition dry and stressed cuticles while the rejuvenating scent elevates the senses.

KEY FEATURES

- **Jojoba Oil** - Organic cold pressed jojoba oil has a high level of antioxidants and is full of nutrients like Vitamin E and B, and minerals like chromium, copper and zinc which all help nourish and protect the skin. Helps to repair damaged collagen inside nail beds, improving strength and promoting healthy nail growth. It also aids in the absorption of other ingredients, making it an excellent carrier oil for nail care products.
- **Jojoba Esters** - Super nutrient rich skin-conditioning agent made from jojoba oil. Helps improve the skin's look and feel.
- **Jojoba Proteins** - Acts as a natural moisturizer and helps repair damage
- **Shea Butter** - Nourishes the skin with vitamins A, E and F and fatty acids. The reason Shea butter works so well for nail health is due to the high percentage of therapeutic essential fatty acids it has. These go to work strengthening, healing and rebuilding nails and cuticles so they don't tear, chip, or grow uneven.
- **Alfalfa Leaf** - The rich mineral content helps promote the healthy growth of nail tissue, while also providing a source of antioxidants. It contains many important vitamins and nutrients such as Vitamins B1, B6, C, A, E, D, K, calcium, biotin, potassium, magnesium, iron, folic acid, zinc, carotene, niacin, and phosphorus. It has very high levels of protein, as well as amino acids.

FEATURES AND BENEFITS

NOURISHING VEGAN COLOR

Made with Argan Oil, Seaweed Extract, & Red Tea, our Advanced Oxygen Technology formula is a color and treatment in one. Color names are inspired by Slow Beauty philosophy—where beauty, health and wellness converge for sustainable self-care.

KEY INGREDIENTS

- **Advanced Oxygen Technology:** A permeable formula that allows the constant balance of hydration to and from the nails. The permeable formula allows for longer adhesion since it avoids water logged nails.
- **Red Tea Extract (Rooibos):** Helps to revitalize the nail surface leaving nails looking bright, nourished and healthy.
- **Seaweed Extract:** Known to slow the effects of aging, helps nails look youthful and radiant.

PRODUCT OVERALL BENEFIT

- Easy and quick application since it eliminates the use of multiple products
- Longer lasting manicure
- All-In-One Basecoat, Topcoat and Treatment.
- Retail Friendly
- 13* Free
- In extensive testing of Nourishing Vegan Color vs. traditional nail polish 500 women said:
 - Felt nails were STRONGER and HEALTHIER after using Nourishing Vegan Color for 1 week
 - Experienced measurably FASTER nail growth
 - Experienced less CHIPPING and PEELING
 - Experienced longer lasting manicures
 - Felt the product seemed weightless once applied
 - 99% of women tested saw a noticeable difference in the overall health and appearance of their nails.
 - 10 out of 10 nail technicians felt that Nourishing Vegan Color is easier to apply, easier to control and provides a smoother application on the nails.

HOW TO USE

- Apply 2 coats of color to a clean and prepped nail. No basecoat, topcoat or treatment is needed. Can be used with Nourish Fast Dry Vegan Topcoat for a quick dry.

USE WITH

- Nourish Fast Dry Vegan Topcoat
- Cuti-Cocktail Vegan Nail & Cuticle Oil.

FEATURES AND BENEFITS

DRY BODY BRUSH

The sustainable self-care dry body brush is made with sisal hemp bristles, a soft cotton strap, and FSC Certified Beechwood. The shape of the brush has been customized to fit comfortably in the palm of your hand for ergonomic handling and brushes dry, rough, flaking skin to reveal softer, smoother, gorgeous skin leaving you feeling invigorated and energized.

KEY FEATURES

- **Sisal Hemp Bristles:** a perennial succulent, the sisal plant. Unlike other all-natural brushes made from plants that tend to have coarse bristles, sisal brushes have semi-firm bristles which are perfectly safe for the skin.
- **FSC Certified Beechwood:** In order to be given FSC® certification a forest must be managed in an environmentally appropriate, socially beneficial and economically viable manner. Forests that meet these strict standards are given FSC® certification and the timber and timber related product allowed to carry the FSC® certification.

PRODUCT OVERALL BENEFIT

- Ergonomic handle fits in palm of hand
- Increases blood circulation to promote lymphatic drainage to help eliminate toxins
- Stimulates the nervous system - leaving you feeling invigorated and energized.
- Daily brushing helps reduce the appearance of cellulite, promotes cell renewal, tighter and healthier skin.

HOW TO USE

- In the morning before showering on bare skin. Start at the feet (soles and top) then brush up the legs and thighs with light, smooth strokes, move to buttocks, back, then hands.
- Brush the palm and back of hands, arms and shoulders towards the heart.
- Brush down the neck and chest.
- Brush the stomach up towards the heart and in from the sides.
- Pause and feel the body awoken to a brand new day.

HOW TO CLEAN

1. Submerge bristles in water. Do not submerge wood in water.
2. Add 3 drops of essential oils + non-drying liquid soap. Move bristles around for 60 seconds.
3. Repeat with water only.
4. Let air dry.
5. Avoid wetting the wood on brush
