### Lash & Brow Styling by RefectoCil

Tuesday, August 10th 2021 | 12pm EST

Do you want to give your client's the ultimate Lash & Brow experience in one visit? Well you've come to the right spot to register for our RefectoCil Lash & Brow Styling Class.

Give your clients from start to finish the best service that they will love and come back for more.

You will learn to perform both a Lash Lift and Brow Lamination along with a tinting service in one visit. But that is not all, you will learn to add value to these services with an eye treatment and a massage at the end. You will learn the proper aftercare that should be applied after these services and to send clients home with retail products. Your clients will be going home like a new person. And hey, its still summer and clients will look for less time consuming ways to look presentable during summer activities. A live demo will be shown.

Are you ready for this webinar to give your clients the lash & brow experience like no other?
